**Column Explanations:**

- (1) Funding is provided for my effort in research grants/ contracts for multi-center projects in which I serve in an executive function, this often is combined with Canadian operational responsibility.  
(2) A research grant from this company supports the expenses associated with projects in the Canadian VIGOUR Centre or University of Alberta or elsewhere that are under my direction.

- (3) I provide educational activities or deliver occasional lectures that generate revenue from this company.
- (4) I receive personal income outside of my University salary for consulting or other services (possibly including CME) from this company.
- (5) I personally receive no royalties from any industrial firm.
- (6) Neither me nor any member of my family have equity in any industrial firm.
